Travel Attestation Form.pdf;

Dear Ziquan,

The Graduate School has considered your application for the Graduate Student Transportation Grant and has approved a grant in the amount of **up to $1,000.00 for actual transportation costs**. This is the maximum award amount and is contingent on actual costs. Your initial Transportation Grant payment will be $433.10 based on the receipts submitted with your application.

You have also been approved for an additional amount of up to $2,000.00 from the College of Arts & Sciences. The remaining amount of your expenses of $1,065.00 will be awarded from that fund.

You must sign the attached Transportation Grant Attestation Form at this time in order to process your award. If your trip does not take place as planned, this grant is forfeited, and you must return any funds that have been disbursed to you through the grant.

You may submit receipts for additional ground transportation costs (taxi, shuttle, Uber, etc) upon your return if you have not used the maximum award amount. Only ground transportation costs for travel directly to and from the airport are eligible. Please note that travel insurance, seat upgrades, baggage fees, car rentals, and fuel costs are not eligible. For more information, please visit the Graduate Student Transportation Grant Website.

Your Transportation Grant will be disbursed as a refund through the Cashier's Office and issued via direct deposit. Please sign up through ConnectCarolina if you are not already enrolled.

Transportation Grant awards are a form of financial aid. We will report awards to the Office of Scholarships and Student Aid, and payment is coordinated with other aid you receive. Use the Cost of Attendance & Aid Calculator to see how the Transportation Grant impacts your financial aid eligibility. You can request a review of your personal cost of attendance by submitting a Graduate Financial Aid Budget Increase Request Form.

We will be in touch with you once you return from the conference to confirm your trip and consider any remaining eligible items for payment.

If you have questions concerning this award, please email gradfunding@unc.edu.
